**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is my understanding that large companies are petitioning the FCC to do away with rules to provide wholesale pricing for legacy services. This would be a disaster for me. I have only 2 choices in my area beyond using these 3rd party services that depend on this wholesale pricing. This would result in an approximately 50% increase in my area. My options are very limited. This wholesale pricing is the only thing that allows me to have access. As a senior on a fixed income this would result in me being cut-off from the world.
